Ronnie,

So one of the greatest persons I have ever known. We have had some great times together and I shall cherish the memories forever. I hope we shall always be the best of friends and perhaps even more than just friends. I'm sure we shall have a great summer (if you let me be considered in with the "we".) I still have a date with you to go to the beach, so don't forget. I wish you the best of luck in the future, and I know you will succeed success in life. May God bless you.

*On its soft-shadowed campus I
 tread. My shoes tap in mirrored
 hallways, and I hear the
 hollow echoes resound the
 length of its vast
 silent corridors.
 Why am I here? I ask.
 There is no answer. The halls
 lend only muffled conversation,
 youth's spontaneous laughter,
 the scribble of pen, the screech of
 chalk, the band's melodious
 chords as it marches onto the
 field, and departing Seniors
 stand to sing for the last
 time the strains of its
 Alma Mater.
 These days belong to me.*

*I dwell and pass on,
Assuming the fragments that
make the whole man.
And when that day comes, which
it must, I will understand
the burdens universal
to man.
In my search for knowledge
I was given the freedom to embrace,
discard, absorb, and mold
my very thinking.*

Ronnie,
 I've had so many good

Dear Ronnie

We surely do have some wonderful memories! And boy, we've had fun times this year and then there was chemistry. Well it's almost over. Just think we'll be Seniors next year! I know it will be one of the greatest years ever at Davidson!

Now work hard unless you can get out of it. I wish you every success in life because you really deserve it. May God bless you richly.

Freedom of Press

A privilege given to us in the first amendment to the Constitution of the United States is freedom of the press. This freedom gives us the right to put into print our own opinions, feelings, and ideas without fear of prosecution. The government cannot curb newspapers and other publications no matter how critical they may be.

A grave abuse of freedom of the press occurred during the colonial period in America. A charge was placed against a New York printer, John Peter Zenger. He was accused of printing numerous articles of criticism against the royal governor of that state. Zenger was brought to trial in 1735. Even though he was clearly guilty his attorney persuaded the jury he was innocent.

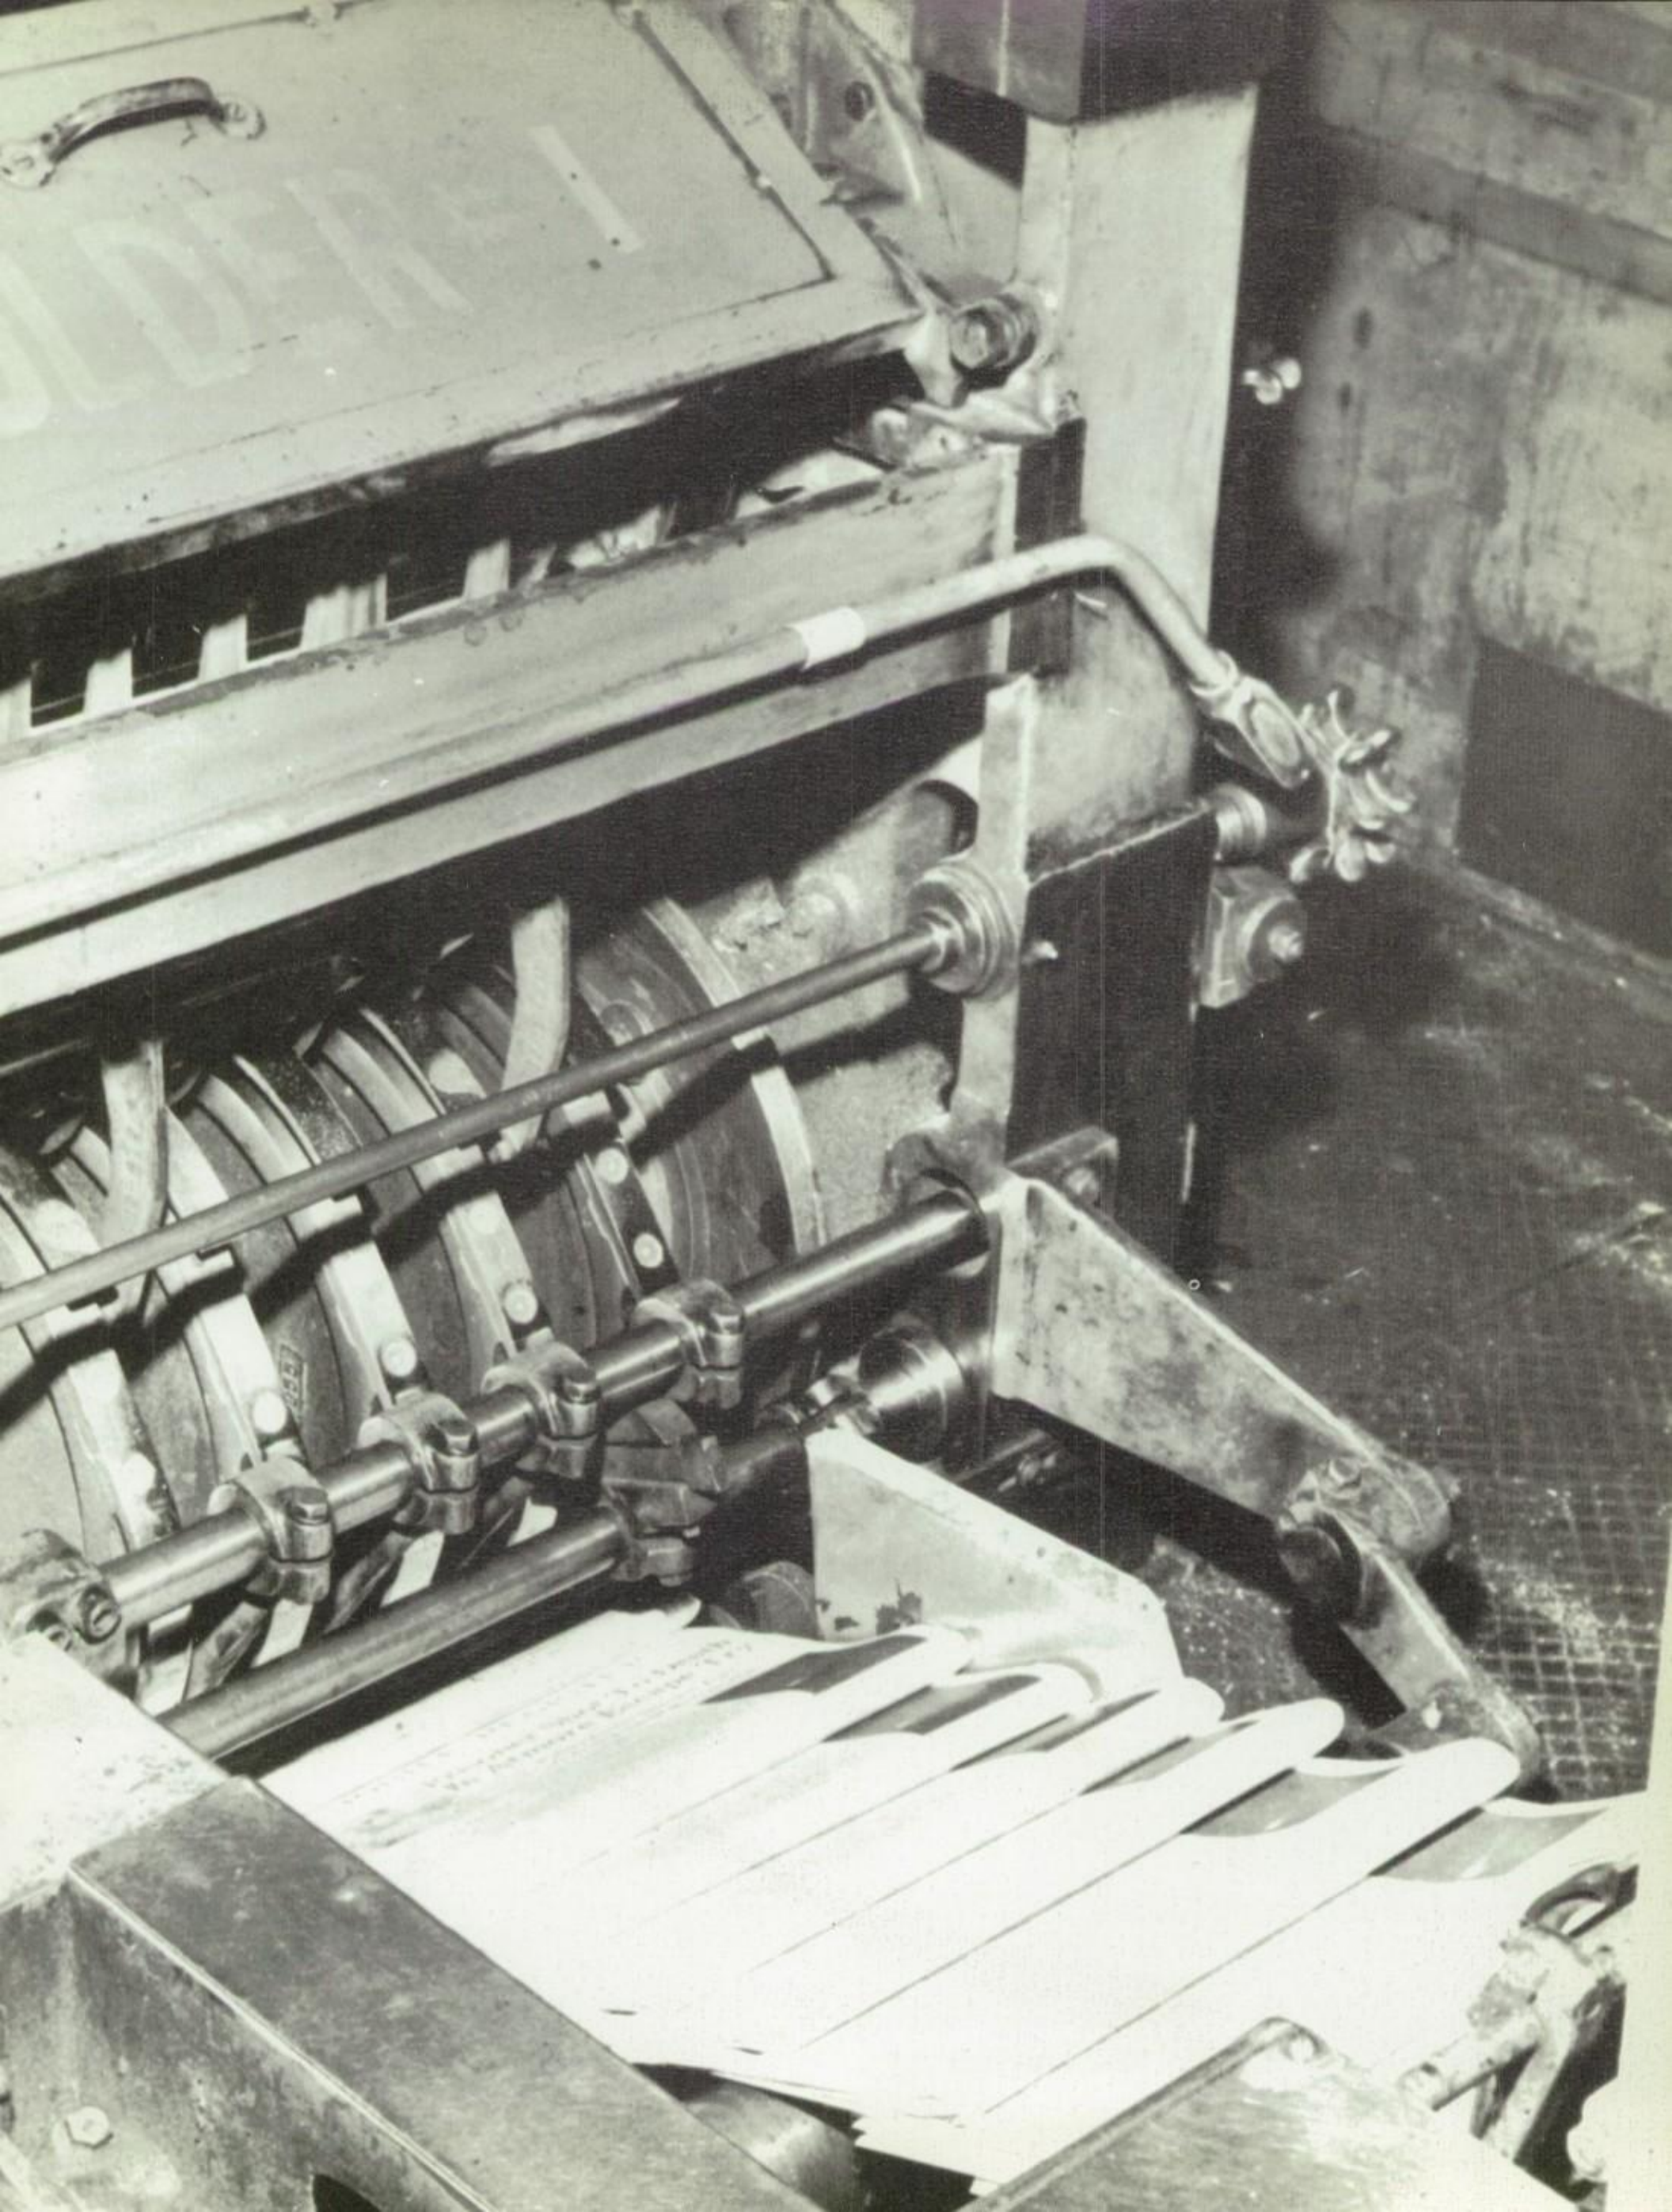

American courts have since ruled that under the Constitution no "libel of government is permitted.

Today individual citizens can sue other individuals or companies and collect damages if false statements have been printed against them. But a government cannot obtain a litigation against any individual, company, or citizen.

Unfortunately, there are many countries that do not have freedom of the press. Citizens of such countries are not allowed to print their own ideas but only those ideas of the respective government.

W. P. Davidson High School is very proud of its yearbook, the Toshua and its newspaper, the Toshua Times. Through these publications its students express original ideas and opinions. One important responsibility of the high school is to produce graduates who will carry on the ideas of freedom and democracy to insure that this country's basic freedoms remain safely secure.

Dr. Burns Emphasizes Our Priceless Heritage of Freedom

The record of Dr. Cranford Burns is a fitting tribute to this man who has fulfilled his responsibilities so admirably.

Listen! Do you hear *the sound of freedom*? Its voice is loud and clear for those who listen and for those qualified to distinguish its voice from others. Like our radios and our television sets, we do not get the message unless we are tuned in.

If we listen carefully we can hear the tolling of the bells for those who gave their lives in sacrifice and service in order that freedom might have another chance to demonstrate its superiority over tyranny. *The voice of freedom* says that love is greater than hate, that human values are more important than material values, that collective judgments provide a better base for decision-making than the self-conceived notions of a few, that voluntary religion is better than state-supported religion, and that the right to compete on the basis of merit is more precious than cradle to the grave guaranteed security.

No generation can be an island unto itself. The successes and the failures of each have their roots in the past and project their influences into the future. Your generation must be a bridge between our *heritage of freedom* and freedoms which we hope the unborn generations will enjoy during the decades ahead. But this process is not automatic. *Freedom* like life itself, must have the capacity of reproducing itself. Freedom must have a rebirth in the hearts and minds of each new generation. Can you hear the heart beat of freedom pounding in your own circulatory system?

In essence, each new generation must become *the voice of freedom*; otherwise the ringing of the bells will grow weaker and weaker and the written words of our forefathers will become stale and meaningless.

Cranford H. Burns,
Superintendent of Schools

Board Supervisors Shape School Policies for County

While striving to keep standards high in all areas the Mobile County Board of Education feels a genuine concern for the welfare of all students. The members of the

board are always ready and willing to help and serve the students of the Mobile County Schools.

The core of a successful man is measured by the happiness of his home. The happiness of this family is indeed depicted in their smiles. Seated left to right are Mr. Shout, Robert, and Mrs. Shout, holding Kim; Pat and Pam. Mrs. Shout, the administrator of the Shout family attends to the details of raising her family. Away from a harmonious home life, Robert and Pat, the younger children, eleven and nine years of age respectively, attend Kate Shepherd Elementary School. Pam Shout, the oldest daughter, is a 1965 graduate of Davidson. Pam is furthering her own education by attending the Providence School of Nursing.

Kim, the newest addition to the Shout family, ensures the educational system of at least a few more years of business.

Enthusiastic Educator Displays a Deep Interest in the Welfare of Our School

Dr. Clyde M. Zeanah, Assistant Superintendent in Charge of Administration, confers with Mr. Shout concerning matters of school policy.

Of all living things only man has developed a means of passing on his learning—values, skills, and attitudes—to new generations.

Dedicated to the field of education, our principal, Mr. Sam H. Shout, has spent numerous hours attending institutions of higher learning in preparation for the responsibilities of his administrative position. His lengthy career in the field of education began in 1949, upon graduating from Transylvania University with a Bachelor of Arts Degree. The next milestone in his scholastic life was the earning of his Masters Degree from the University of Kentucky in 1953. During the past summer of 1965, Mr. Shout worked on his Doctorate of Education Degree at Auburn University.

Mr. Shout's sense of responsibility to his school, and profound understanding of its students, contributes to the spirit and dexterity with which the routine of the day progresses.

When the stress and strain of the day is over, Mr. Shout likes to relax with a good book or visit his favorite "old fishing hole."

Sunday finds Mr. Shout and his family attending Dauphin Way Baptist Church. The family enjoys spending some of their time during the holidays, the weekends, and vacation seasons at Ft. Walton Beach and in Kentucky.

Mr. Shout directs a new student to particular areas in the building.

Operator of a Vigorous Learning Program

Mr. Bobby Gwin begins his second year at Davidson as our Assistant Principal. Mr. Gwin served in this capacity in the latter portion of the 1965 term during the principal's leave of absence. He is a native Alabamian, having been born and raised in Monroe County, and is now in his sixteenth year of teaching. He entered the service in 1944 and served his country in Europe.

A graduate of Troy State College, receiving his Bachelor of Science degree, Mr. Gwin also attended the University of Alabama, receiving his Masters and Associate in Art degrees, respectively.

Mr. Gwin, his wife Louise, and their children, Bobby, Barbara, and Mike, attend the Fulton Road Baptist Church. Bobby, the oldest son, attends B.C. Rain High School. Barbara and Mike, ages ten and nine, respectively, attend Adelia Williams Elementary School.

Reading current affairs, watching football games, and hunting claim a portion of Mr. Gwin's leisure time.

Mr. Gwin's duties embody the responsibility of student disciplinary action, scheduling necessary announcements, parent conferences, and fidelity between the student body and the faculty.

Mrs. Posey joins Staff as New Guidance Counselor

Assuming the responsibilities of guidance counselor this year is Mrs. Delilah D. Posey. Having counceled at Murphy High School for two years, she expressed her desire to continue in this field of education.

Mrs. Posey graduated from the University of Alabama, having received her Bachelor of Science, Master of Arts, and Master of Science degrees.

She was a member of the Home Economics staff at Auburn University, after heading the Home Economics Department at East Mississippi Junior College for five years.

Presently enrolled in the Doctor's Program of Educational Psychology at the University of Alabama, she is writing two books in her spare time. One is a novel, and the other one of a philosophical nature.

Hectic fall schedules find students seeking advice about their college plans.

Keeping accurate and concise records of debits falls on the shoulders of the bookkeeper, Mrs. Gloria Eden.

Scheduling and registering the students accurately in order to meet accreditation standards is a fulltime responsibility undertaken by our efficient registrar, Mrs. Lucille Stowe.

Duties Faithfully Executed by School Personnel

Mrs. Blake and Mrs. Gipson are the office receptionists, who make appointments and guide students

through the proper channels when they seek help in the office.

Under the capable direction of Mrs. Emily Hammac, nutritious meals are prepared each day.

Calvin Dunham, building engineer, keeps facilities running smoothly to ensure a secure day.

The English Department at Davidson High School serves to undergird and supplement the student's entire curriculum. He not only learns the fundamentals of English grammar, but also broadens his cultural foundation and enriches his general knowledge through the study of the experiences, thoughts, and ideas of great men as literature records. Public speaking, logic, creative writing, and other activities come under this complex subject. Because all the facets of English are so vital to our everyday lives, it is no small wonder that six years of English is required of the student.

Others use the quiet surroundings in which to study or to enjoy a library book.

Infinite Sequences Fascinate Mathematicians

As the final course is added to the new theory of mathematics at Davidson, the teachers and students move forward. These courses now include, Algebra I, Plane Geometry, Algebra II, and College Algebra. Other mathematics courses offered are business and general mathematics. These courses are necessary for those planning a career in professional and engineering fields. They also help teach logic for problem solving later in life.

The Science Department of Davidson High School is committed to the philosophy that man's dominate position among creatures of the earth can be ascribed largely to his intellectual curiosity which has led him and leads him in quest of knowledge for its own sake. For the intellectually curious, this department offers a variety of elective subjects, ranging from courses in General Science through a choice of biologies, as either a nature study or a bio-chemical study; two years of chemistry; and one year of physics.

Mrs. Young helps a first year Home Economics student with a sewing problem.

One course at Davidson which is very informative and useful to girls is Home Economics. The courses offered by this department range from Home Economics I, which includes both sewing and cooking to; Home Economics II, which is an advanced sewing class; and Home Economics III, which offers the girls an opportunity to enter contests in the field of cooking. Also offered is a new course in home planning which teaches girls how to be better mothers and housewives.

Physical Abilities and Sportsmanship Stressed

The Physical Education Departments of Davidson High School are among the finest in the state. Both boys and girls are instructed in good sportsmanship and physical fitness. The fine teachers and coaches lead the students in calisthenics and various sports. Intramural sports play an important part in Davidson's physical education program.

Sport participation for boys includes football, track, baseball, and basketball, where as the girls participate in the more feminine sports such as volleyball, softball, and track.

The field of music has many fine qualities. It contributes to social life, teaches cooperation, heightens community spirit, enriches home life, broadens experience, and provides activities for leisure time.

The Davidson band presents many fine half-time shows, participates in parades, dedications, and other public functions. The band, chorus, and orchestra present many enjoyable concerts. An ample supply of typing paper and an agile mind are prerequisites for the students who are equipping themselves for a journey into the commercial world.

Students in this department first learn the basic principles then practice to develop their skills.

These skills will not only prepare students with the necessary experience and efficiency needed for their future careers, but they will give the students a basic learning in such skills, as typing and shorthand, which can be used for personal application.

Freedom of Speech

A democratic government "... of the people, by the people, for the people ..." cannot function without freedom of speech. Communication unrestricted by the shackles of rigid governmental control is necessary if rights such as campaigning for public office, organizing public assemblies, and creatively writing periodicals and books are to be permitted. The freedom to say publicly and privately what we believe carries responsibilities as do all freedoms.

Walt Whitman in his "Song of Myself" says:

The spotted hawk swoops by and accuses
me, he complains of my gab and
my loitering

I too am not a bit tamed, I too am
untranslatable

I sound my barbaric yawp over the
roofs of the world.

Speech cannot be untamed, cannot be untranslatable, and cannot be barbaric; speech must be civil and intelligent. Factually unsupported accusations, statements detrimental to character or reputations, are not permissible. Speech must be self-regulated if it is to endure as a freedom yet respect individual rights.

Freedom of speech must be regulated in the home as well as the school if we are to insure its safe preservation on a national level. Schools influence speech by teaching proper use of our language, increasing our vocabulary usage, and permeating youth's minds with enriching thoughts of the greater ideals of American democracy.

Judges Crown Perri Cutts in Beauty Review

A Beauty Review is an assemblage of girls notably marked by poise, grace, and loveliness. Eighty-three girls possessing these qualities were interviewed before ten faculty members by Mike Brissett, President of the Junior Class, and Joe Howell, Vice-President of the Junior Class. These girls were judged on general appearance, posture, and beauty. Fifty girls were selected and the date of the contest was announced as February 10. Each of the fifty girls entered the stage wearing casual attire. The Masters of Ceremony, Dick Kent, Dan Tucker and Ken Holiday described each girl's accomplishments, home life and future plans.

Fifteen finalists were chosen from the contestants by the judges—Miss Millie Long, Mrs. Sam Shout, Mrs. Betty Murphy, Mr. Don King, and Mr. John Law.

The four runners-up to Miss Beauty Review were as follows: Lynn Ott, freshman; Linda Mozingo, sophomore; Claudia Robinson, junior; Angela Johnson, senior.

Miss Beauty Review, Perri Cutts, was crowned and presented with a bouquet of red roses. Perri, an active member of Gayfer's Teen Board, has attended Davidson for the past two years and participates in numerous school activities.

A vivacious Beauty Queen, Miss Perri Cutts, discusses with enthusiastic spirit the surprise and excitement of participating in the Beauty Review.

Patty Driscoll, one of the many participants answered the Judge's questions with delightfully honest and frank expressions.

The Junior Runner-Up to the Beauty Queen was Miss Claudia Robinson, depicted here with the lovely smile which undoubtedly charmed the judges also.

The contestants entering the final stages of the Beauty Review are photographed as they appear on stage prior to the final decisions.

Homecoming

Festivities

Colorful Homecoming activities for Davidson began with a pep rally in the school gym the afternoon before the big night game. Later that evening there was an enormous bonfire that really boosted the spirit of the students. When the bonfire was over students rode the chartered buses to Ladd Stadium where the Warriors clashed with the Murphy Panthers.

During the halftime ceremonies Davidson High School Band saluted the Homecoming Court as the Court was introduced on the field. The climax of the Homecoming activities was the crowning of the Queen, Phyllis Freeland, by the former monarch, Carol Eisenbrey Cherry.

"The Playboys" entertained the following evening in the school cafeteria for the Homecoming Dance, which was carried out with the theme "Harbor Lights." The presentation of a football to the Queen at the Homecoming Dance, was part of the ceremonial activity. Afterward the student body danced to the melodious music of the band until midnight.

The Queen is led onto the dance floor by Rick Sharpe to open the 1965 Homecoming Dance.

Queen Phyllis Freeland and her date, Rick Sharpe, take their places in the stands to cheer the Warriors on to victory.

Davidson's band and Azalea Trail Maids were given nation-wide coverage as they performed in pre-game and half-time ceremonies during the Seventeenth Annual Senior Bowl. The theme of the half-time was centered around youth and education. The band formed a framework around the Lamp of Learning as executed by Mississippi Southern's band, while the Maids graced the pageant by parading the field in antebellum dresses.

The Davidson band participated in half-time activities and the band's performance was a tribute to our school's outstanding students.

Senior Appointed TAP State Chairman

At home, Ben devotes much time to TAP organizing and planning.

Ben Cooper

The position as Alabama State Chairman of the Teen-Age Program of the National Foundation of the March of Dimes has been appointed to Davidson Senior, Ben Cooper. The appointment was announced in Washington by Basil O'Connor, President of the Voluntary Health Organization.

This year Ben is president of the Key Club and has attended two International Key Club Conventions, as well as two district conventions in the capacity of an official delegate.

Being a member of the Junior Classical League, the Christian youth Fellowship League, and the Springhill Baptist Church Sunday School and Training Union has given him the supreme qualities which contributed to his selection.

The honor of Freshman and Junior Class Favorite has been awarded to Ben and he was a candidate for Mr. DHS. Ben's talents include playing the piano, trumpet, and guitar.

As State TAP Chairman, Ben Cooper had a key role in preparing for the March of Dimes campaign scheduled in January.

Ben distributes one of the many March of Dimes folders to be placed in a local merchant's store.

Freedom of Religion

Since the beginning of America, the basic freedom of religion has prevailed. Deeply implanted in the minds of our forefathers, the necessity of religious freedom has been the cause for laws, trials, and even wars. The very fact that this mighty nation was founded as a haven for those settlers as a refuge for their religious convictions has emphasized the importance of this liberty. In America today a person has the opportunity to worship in the manner he desires, without persecution of any form. Every major religion of the world has representation among U. S. inhabitants.

Thomas Jefferson has summed up the American dream of religious freedom in his "Act for Establishing Religious Freedom in 1799", stating therefore:

"No man shall be compelled to frequent or support any religious worship, peace, or ministry whatsoever, nor shall be enforced, restrained, molested, or burthened in his body or goods, nor shall otherwise suffer on account of his religious opinions or belief; but that all men shall be free to profess, and by argument to maintain their opinions in matters of religion."

We exercise the freedom of religion at Davidson through daily devotionals, and announcements from various religious organizations.

Flashes of light! Startled students looked and were caught by the camera of the yearbook staff as the year '66 was recorded and written down for posterity.

During the warm summer months preliminary planning for the '66 TOSHOA began. Decisions for a theme, the printing, type sizes, and cover designs consumed the time in editorial and staff meetings. As autumn approached, the excitement of a new year and a new yearbook infected the entire staff.

With the aid of a new camera Mrs. Hembree, Margaret Quinn, George Walker, and Trudy Walker were liable to pop up at any time and in any place. The P.T.A. showed their devotion and support by helping with the purchase of the new camera for the school.

The sixth period in room 102 was frantic and secretive as deadline dates approached. Pressure mounted, work piled up—pictures cropped, lay-out forms scratched out, copy hurriedly written, headlines typed—five day meetings, weekend sessions, holiday conferences, and late hours, way into the night. All this is just part of the time consuming responsibility of a staff trying to produce a quality publication for the student body.

Literary editor, Susan Goodwin, is astonished by the amount of work to be done.

Becky Keller and Margaret Quinn eagerly count money collected in the subscription sales.

Davidson's newspaper, the Toshua Times, issued six times a year, has the largest staff since its beginning. This newspaper offers many opportunities to learn the art of journalism, gives practical experience in the business world, and develops abilities in creative and analytical writing. Throughout the year the staff strives to create a paper which reflects the true Davidson spirit. High journalistic standards are maintained in the Times. Techniques of putting out a paper are learned in the journalism course, and applied in after-school hours. Composing the staff are students from all grade levels. Mrs. McNutt is the Toshua Times sponsor.

Debaters Rate High in Public Speaking Contests

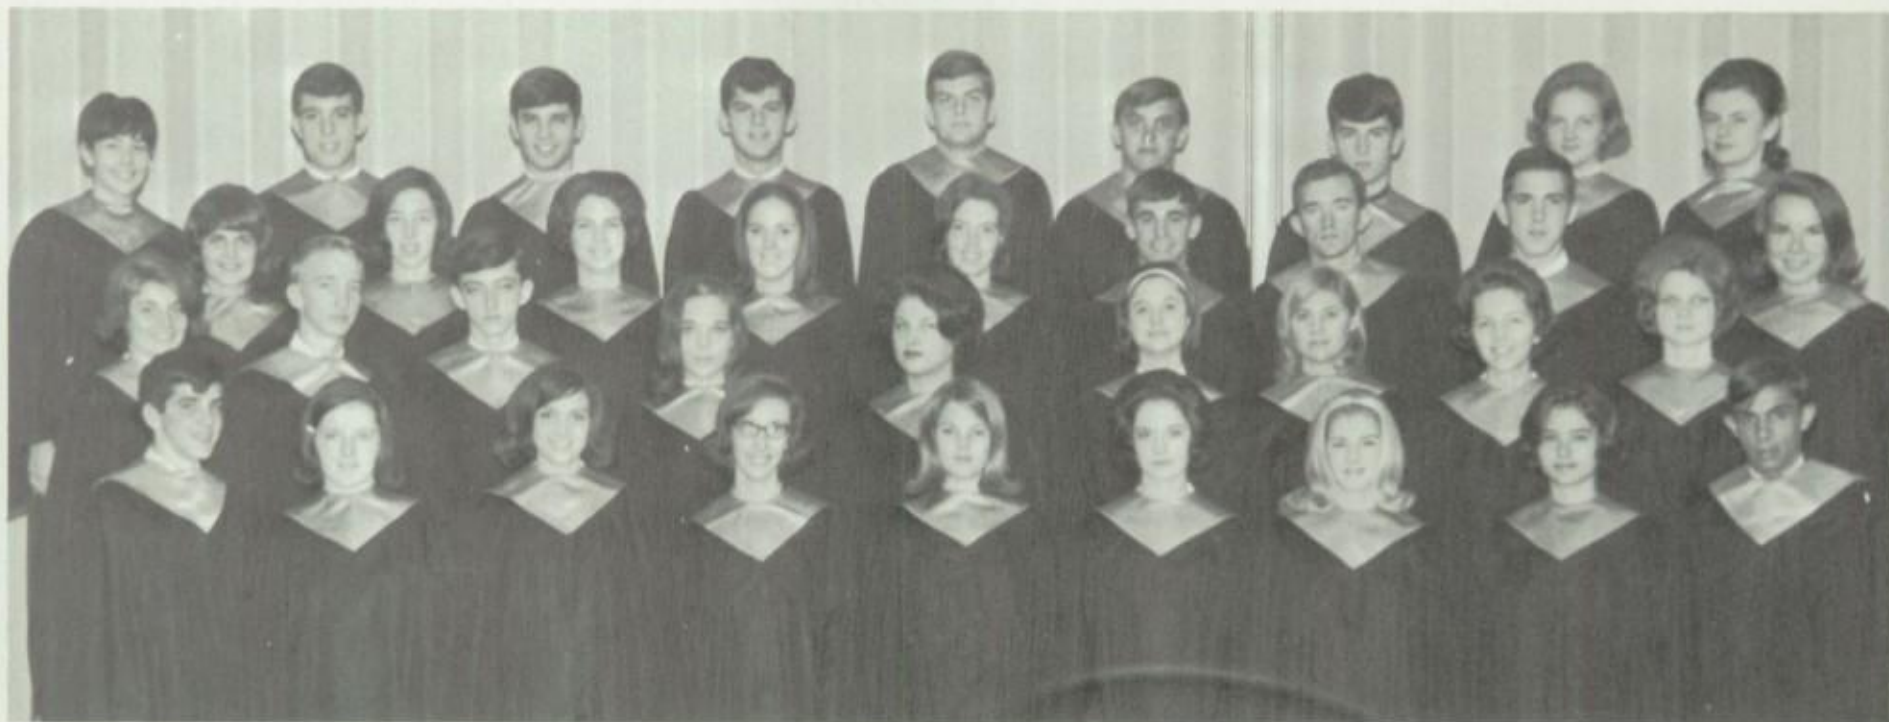

Students interested in debate and public speaking compose the Debate Club. The club's new sponsor this year is Mr. Sparks. An outstanding goal placed before the members of the Debate team is the attaining of membership in the National Forensic League. Points and credits acquired through successful accomplishments in public speaking engagements play an important part in obtaining membership to this league. The Davidson team holds a chair in the Southeastern Debate Tournament sponsored by the Barkley Forum at Emory University. Davidson debaters have won honors at Tulane University, New Orleans; Marble City Tournament, Sylacauga; Ensley Tournament, Birmingham; Mobile County Forensic Tournament, Springhill, University of Alabama, and the University of South Alabama. In 1962, 1963, and 1964 the team won the State Championship award. The D.H.S. team has made many outstanding achievements which have made it the best in Mobile.

Scholastic Achievement Is Goal of

Janice Truett and Marilyn Flinn take time after a meeting to admire an informative display.

Serving as an inspiration and goal for aspiring students, the Davidson National Honor Society strives to increase self respect and to provide recognition for those persons outstanding in character, scholarship, leadership, and service. To be eligible for membership in the National Honor Society a student must meet *all* these qualifications.

Each year the present members, led by Miss Kastner, sponsor, participate in various service projects. This year the Society took exceptional children to the fair and also helped with other parties for them.

The National Honor Society officers meet with the sponsor, Miss Kastner, to discuss the plans for the May induction of new members.

The responsibility of planning future projects for the National Honor Society is accepted by the officers: Nancy Garrett, Barbara Bayliss, Gene Tomlin, and Robert Echols.

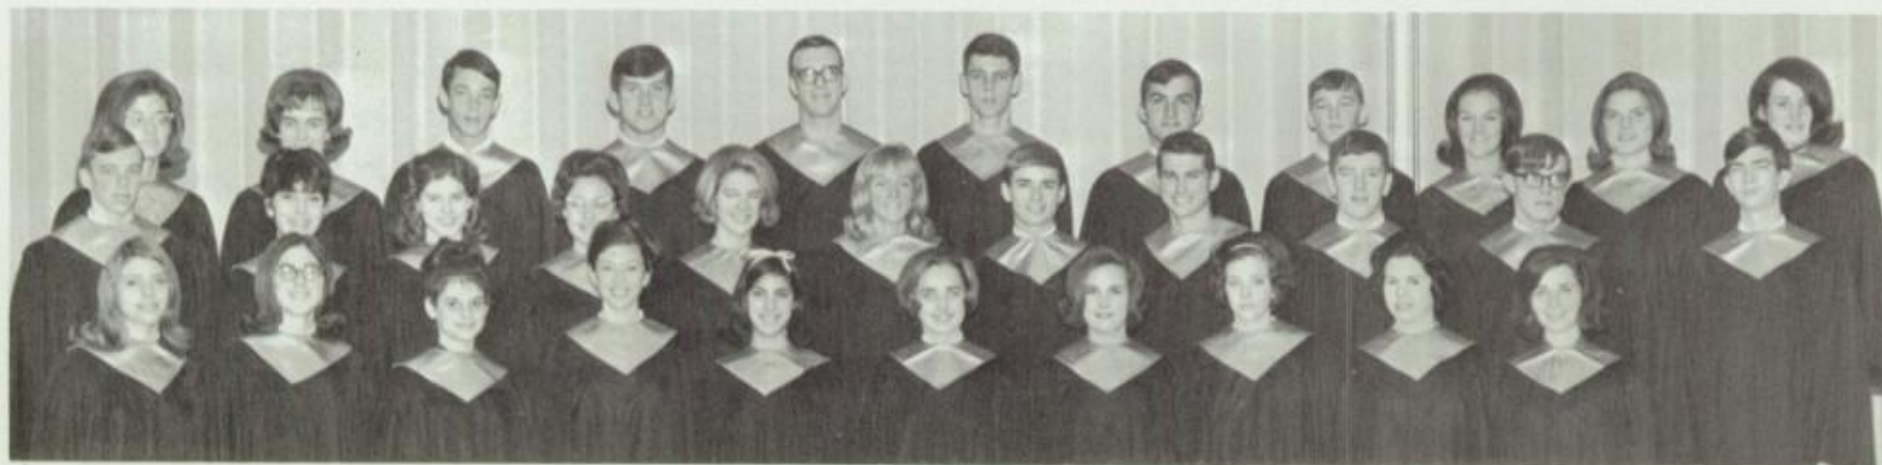

Gene Tomlin, President of the National Honor Society, was elected by his fellow members.

Composed of the most outstanding boys in Davidson, the Key Club works year round to serve the school and community. To be eligible for membership a male student must scholastically have a B average, must be approved by the principal, and receive approval by the members.

This year the Key Club has been very active. They have sponsored a clean-up campaign, "Operation Superwad," a school dance, and its favorite annual project, a party for the children at the Mobile General Hospital. During the past three years the club has given over six hundred dollars to the hospital. This organization also furnishes a directory for the students, school license plates, and parking lot monitors.

The officers of the club this year are President, Ben Cooper; Vice President, Bill Boyd; Secretary, Bobby Allen; Treasurer, Lee Hughes; Directors, Gene Tomlin, Ben Tom Roberts, and Jerrold Klein. This year the office of second Vice President was established, which is now held by David Laxton. The Key Club's able and enthusiastic advisor is Mr. Bill Rodgers; its sweetheart is Carol Hollingsworth.

The prime objective of the Red Cross Council is to serve the school and community through various projects. Among these are Teacher Appreciation Week, the United Fund drive, and the collection of clothes, food, and toys at Christmas for deprived families. The Council works hard to promote participation and create interest in service projects. Davidson's Red Cross is a member of the American High School Red Cross and the National Red Cross.

In connection with the Red Cross is the Gray Ladies, an auxillary organization composed of students with an inclination toward a medical career. By helping in local hospitals where more pairs of willing hands are needed, these students receive a real insight to the work of a hospital. However, their most important job lies in the First-Aid Room here at Davidson, where they care for sick students throughout the school day.

Miss Cox, the sponsor of these two organizations, also works diligently with other clubs and projects around the school.

On-the-Job Training Benefits D.O. Students

The Diversified Occupations Club is a newly organized club at Davidson this year. It is organized for the benefit of students enrolled in the D. O. Program, which makes it possible for students to be employed by various firms in the Mobile area. The commercial subjects offered at Davidson help these students in their work. Interests Livened by Tour of Medical Center

An interest in medicine and an awareness of the development of modern medicine are stimulated through the Future Doctors Club. This organization offers all students interested in medicine or a medical career opportunities to hear the lectures of speakers who are experts in their specific fields. Films are presented on medical news in order to keep the students up to date on medicine today. Some main activities of the Future Doctors Club are field trips and tours of hospitals. This year members are touring the Birmingham Medical Center. The sponsors are Dr. Wright, a local physician, and Mr. Rodgers, Davidson's physics teacher.

Club Activities Stimulate Interest in Local History

The Junior Historic Society has become an important organization at Davidson. It was organized two years ago for Students interested in local history and preservation of old homes and historical monuments. The club is popular because it stimulates an appreciation of history. The Junior Historic Society's activities include guest speakers, films, and tours to various sites of historical interest. Miss Dianne English sponsors the Junior Historic Society organization.

Students Promote Studies of Spanish Culture and Customs

Under the sponsorship of Miss Mary Stovall, the Spanish Club seeks to improve relationships with Spanish-speaking countries and to promote studies of Spanish culture and customs. The Spanish Club draws its membership from students who are taking or have taken Spanish. Taking part in programs on Spanish culture, enjoying the talks of guest speakers, listening to Spanish records, and looking at slides of Spain and Mexico are a few of the activities that fill the busy meetings, which

are held twice a month.

The Spanish Club also has an annual Christmas party and is responsible for providing interesting displays of literature, pottery, piñatas, and posters for the library showcase.

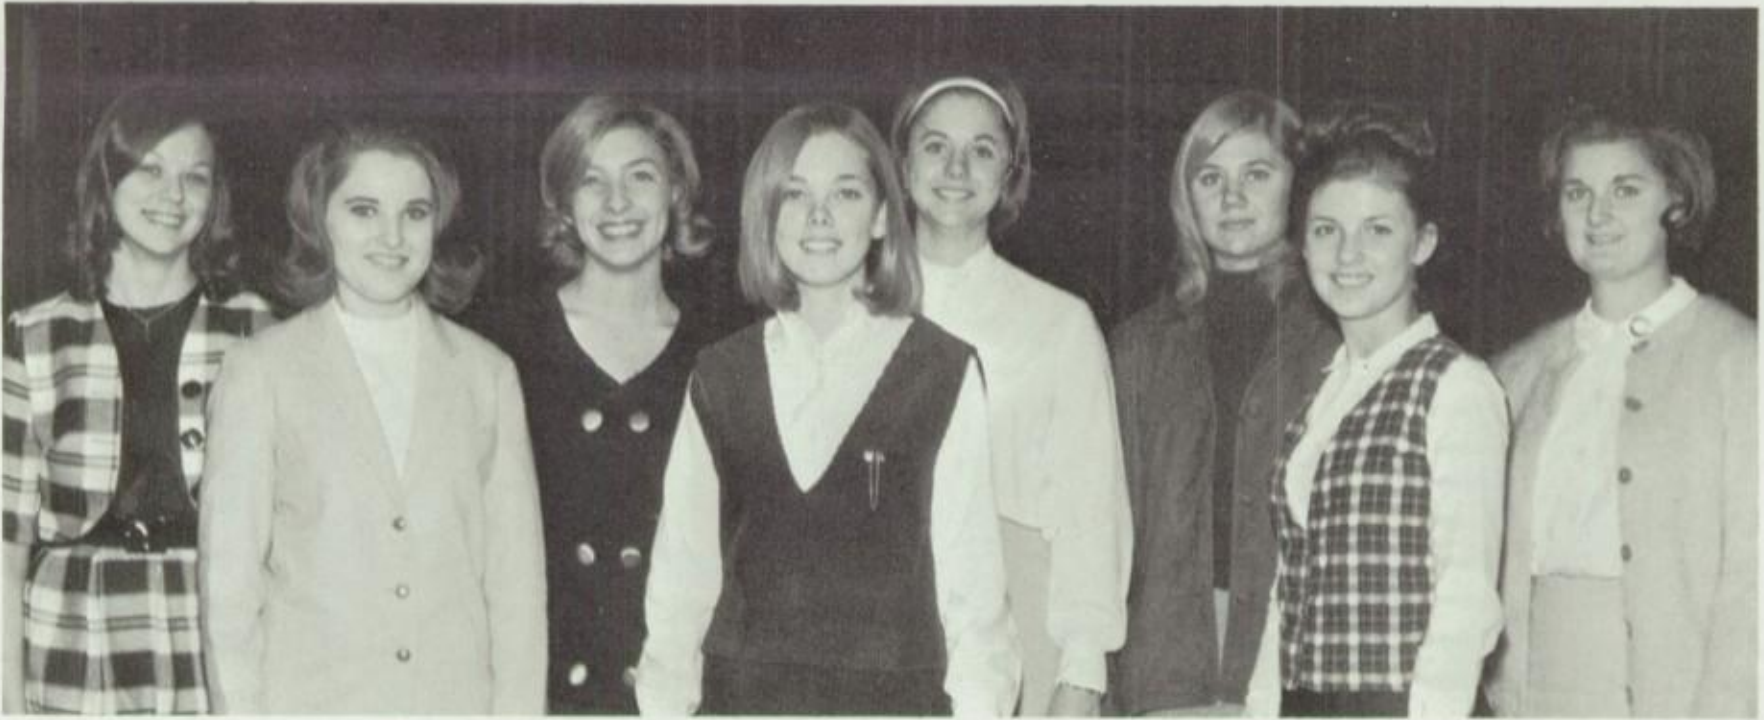

The most important project of the Los Guerreros, or the Warriors, which is the name of the club, is the planning of the activities on Pan American Day.

Advancing standards of excellence in dramatic arts is the main objective of the National Thespian Society. Membership is awarded for recognition of meritorious acts. The Thespians encourage fellow students to attain a better mastery of language, to

develop poise and to appreciate literature and its techniques. Davidson's theater work premiered on campus with performances of *Our Town*. The members are under the leadership of President Laurette Martin and Mrs. McLendon.

Deserving Journalists Accepted into Quill and Scroll

The Quill and Scroll International Honorary Society for high school journalists is composed of students who have made valuable contributions to the school yearbook and newspaper. The society was founded in 1926 by a group of advisors who were interested in high school publications across the nation. It has since grown to include schools throughout the nation and in many foreign countries. The ideals of the society are truth, learning, judgment, loyalty, integrity, initiative, leadership, and friendship. Davidson's first induction was held in April, 1965.

The members of these groups are chosen on the basis of their tone of voice, interest in music, and their ability to read music. These groups practice daily on music ranging from Negro spirituals to semi-classical selections.

The Davidson Choruses have performed on many occasions for the P.T.A., local churches, and the American National Bank.

Each year the entire choral department participates in the Choral Festival held at U.M.S. Groups receiving a recommendation then travel to the University of Alabama to participate in the State Music Contest.

Marking Steps in Time and Tone

Davidson's award winning band adds spirit to the school's football games and pep rallies. It also marches in many of the city's parades during the year. This active organization consists of eighty members, many of whom participate in District Festival, State Festival, County Honor Band, and solo and ensemble contests. Each year the Concert Band enters State Contest; they received a superior rating for each of the three years it took part in the competition.

Band Director, Orland Thomas, gives last minute instructions to drummers, Norman Burch and Tommy Horton, before the band's Christmas Concert.

Stringing Along in High Notes and Harmony

Under the able direction of Miss Dahmer, the String Orchestra meets daily sixth period to perfect the techniques required for an outstanding orchestra.

Adding practice and experience to the assembly line, the musical students further their playing talents.

The String Orchestra and the Concert Band, two hard-working organizations, make numerous musical contributions at Davidson. The twenty-seven piece orchestra, under the direction of Miss Dahmer, has emerged with a superior rating at the district contest. The orchestra annually participates in the Christmas program and presents a concert at the end of the year. This year Franklin Rudolph, a Davidson student, was selected Concert Master of the Mobile Student Symphony and several other students are members.

The Concert Band, under the direction of Mr. Thomas, is supplementary to the Symphonic Band. This band participates in various programs throughout the year and presents its own concert in April. At the end of the year outstanding members are promoted to the Symphonic Band.

Mr. Thomas briefs the concert band on the best practice techniques.

Activities

Freedom of Justice

That the American people expect to be justly treated, is shown in their Pledge of Allegiance as united they stand and proclaim their loyalty to one nation "... with liberty and justice for all."

Just treatment for all people is difficult to attain because there are conflicting concepts of justice, but Francois M.A. Voltaire, a French philosopher, stated his belief that this goal could be achieved when he said:

It seems clear to me that God designed us to live in society—just as he has given the bees honey; and as our social system could not subsist without the sense of justice and injustice, He has given us the power to acquire the sense.

American citizens continue to cherish the system of government established by the Founding Fathers, that has developed around the central theme of justice. The function of the bicameral legislature is to make laws insuring all people's rights. Making decisions as to the interpretation of laws insuring all people's rights. Making decisions as to the interpretation of the courts. The duty of the President is to defend the Constitution and to see that all laws are "faithfully executed."

The machinery of American government in the defense of truth is the guarantee of justice for all because, as Benjamin Disraeli said, "Justice is truth in action."

Brenda Lee
Favorite at
Gulf State Fair

The 1965 Greater Gulf State Fair at Hartwell Field broke every attendance record in the history of the event. A top feature at the fair was famed singer Brenda Lee, who appeared twice daily in the grandstand show. The gala exposition is sponsored each year by the Mobile Junior Chamber of Commerce. Many Davidson students were among the crowds who gathered on the midway. A good time was had by all, including the TOSHOA photographers who were there to snap the many students while they enjoyed the various events of the fair.

Faculty Displays Season Spirit at Annual Christmas Party

Miss Cox serves refreshments to Mrs. Merwin and Mrs. Stowe at the Faculty Christmas Party.

As Davidson was captured in the Christmas spirit, the normal routine of everyday school life gave way to parties and festivities. On one occasion, echoes of laughter rang out as faculty members "let their hair down" at the annual Faculty Christmas Party.

Santa Claus, alias Mr. Sparks, distributed gifts carefully suited to faculty members. In this way Davidson teachers were put into a festive mood for their long awaited holiday.

Sports

Freedom of Education

In a highly competitive world, education is our most vital asset. No other privilege is exercised so widely and is such a source of initiative and ingenuity. It is the largest asset, the most valuable opportunity, and the most honored privilege granted to any individual. Our Founding Fathers were fortunate enough to be granted the education they desired, but only if they could afford it; today education is offered equally to all peoples of the United States. Through education the mind is developed, and unlimited knowledge is gained through modern teaching techniques.

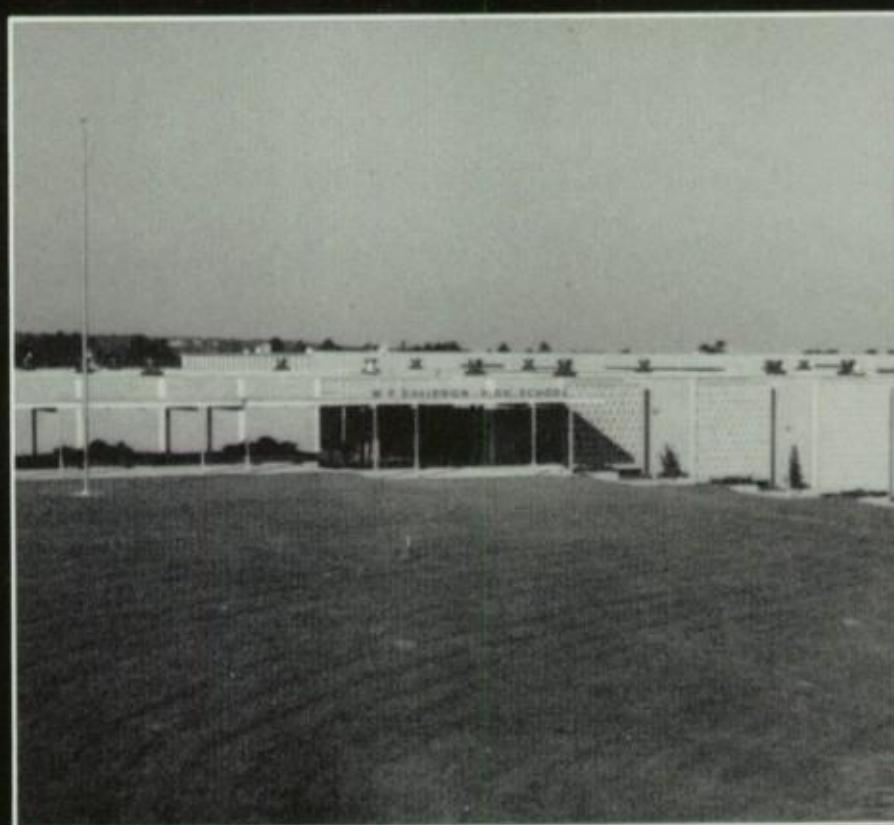

Daniel Webster in his discourse which marked the completion of the Bunker Hill Monument, June 17, 1843, described education in this manner:

America has proved that it is practible to elevate the mass of mankind in that portion which in Europe is called the laboring, or lower class—to raise them to self-respect, to make them competent to act a part in the great right and great duty of self-government; and has proved that this may be done by education and the diffusion of knowledge. She holds out an example, a thousand times more encouraging than ever was presented before, to those nine-tenths of the human race who are born without hereditary fortune or rank.

At Davidson each student is continually striving for the type of education that has always been a cornerstone of the American way of life. And this education is the pavement for the path of America throughout all eternity.

Future Brightens as Rough Schedule Improves Skills

Coach Newton confers with area coaches in preparation for next year's football activities.

New to Davidson this year is Head Coach, Larry Newton, who served as assistant coach at Jordan High in Columbus, Georgia.

Coach Newton is a native of Greenville, Alabama, where he played high school football. He attended Southern Junior College. While attending Troy State College he was a halfback in football and played first base in baseball. He majored in physical education and minored in biology and science.

A new coach, lots of spirit, speed, and desire made this year's tribe of Warriors a tough team to handle.

Davidson opened the season in good fashion by blanking Alba 14—0. Jack Yerkers scored both touchdowns on runs of one and 75 yards.

Looking forward to beating U.M.S. for the first time in three years, Davidson once again went away losing. U.M.S. won 3—0, on a long field goal in the second quarter.

The Warriors, with six bus-loads of boosters, journeyed to Pensacola the following Friday only to be tied by a big Escambia team 12—12.

McGill was the next team to play the role of the spoiler by upsetting Davidson 13—0.

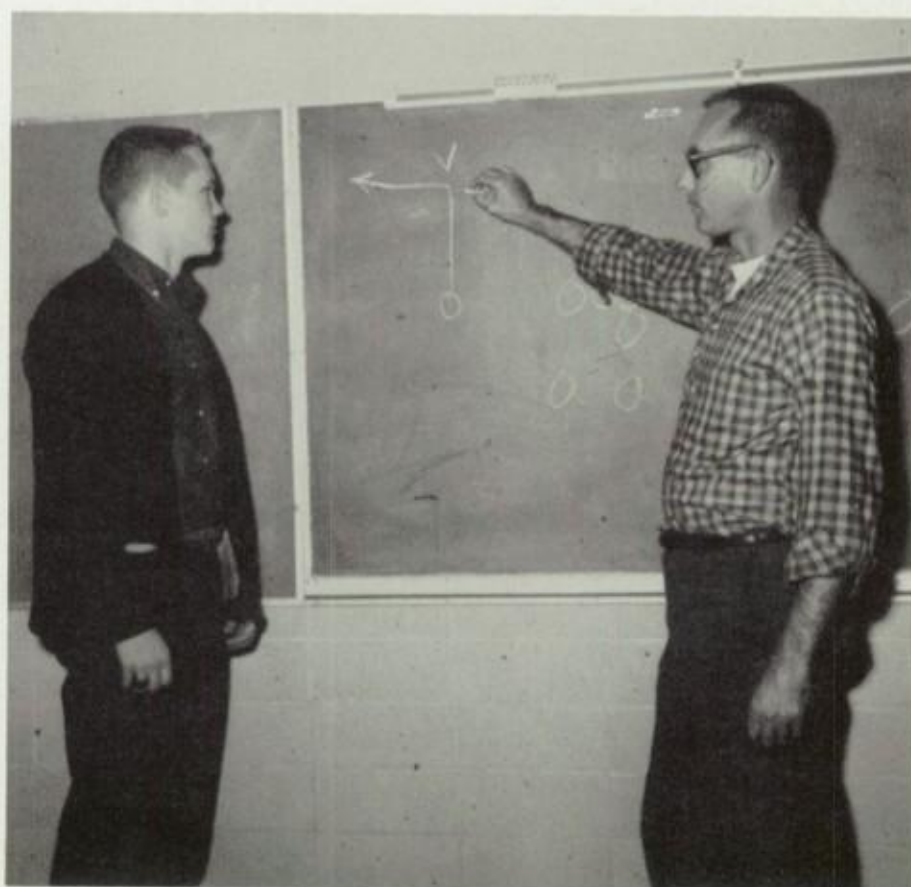

Quarterback Wade Boyette led the Warriors to their second victory of the year with a 19—7 win over B.C. Rain. Jack Jerkes made the big play by running 50 yards for a touchdown after catching a short pass.

Vigor was next in line and Davidson fell 34—6 after taking an early lead as David Kinsaul gathered in a seven yard touchdown pass from Boyette.

The Warriors with new fire and determination, just barely missed upsetting the highly touted Lanier Poets when they failed to score inside the five yard line. The game ended 13—6 in favor of Lanier.

The Bobcats from Theodore took advantage of several Davidson miscues and turned them in for a 20—12 victory.

Hoping to end the season right by beating highly ranked Murphy, they once again had their dreams crushed with a 14—7 defeat.

Coach Chapman diagrams a side-line pattern with All Conference End, David Kinsaul.

Warriors Skin Sharks 14—0

Jimmy Johnson is stopped by several Alba defenders after rambling for first down yardage.

Coach Newton's alert defensive unit held the Alba Sharks to 51 yards on the ground and only 10 through the air in our season opener at Bayou LaBatre.

After a see-saw battle in the first half, during which neither team was able to cross the goal line, an aroused Davidson team returned from the halftime break to dominate play in the third and fourth quarters.

After receiving the opening kick-off of the second half, Palmer Williams and Jimmy Johnson began picking up sizeable gains each time they were given the ball. Jack Yerkes capped this 63 yard drive with a one yard plunge. Halfback Steve Dyas then split the uprights and put the Warriors in the drivers seat 7—0.

Ronnie Negus then kicked-off, giving the Sharks their turn with the ball, but our defensive unit had other ideas and we soon had the pigskin in our possession once again.

Shortly after this, work horse Jack Yerkes broke loose on an electrifying 75 yard touchdown run with the aid of excellent downfield blocking. Once again Steve Dyas booted the extra point.

This victory gave Davidson a 3—0 record against Alba.

Steve Kittrell stops a U.M.S. back in one of the fine defensive plays of the night.

In this, our first game at Ladd Stadium, the U.M.S. jinx was once again present.

The Warriors, stopped cold in the first half, could only pick up one first down and yielded an all-important field goal. But the second half held hope for Davidson when Wade Boyette took over the quarterbacking chores in the fourth quarter and fired passes to Charles Langham and David Kinsaul.

Although this drive died at the 29 by way of an interception, we had one more opportunity but the clock ran out, sending away many disappointed Davidson supporters.

Promising sophomore quarterback, Wade Boyette, fights for yardage against Escambia.

Traveling to Pensacola, the Redmen managed to hold a strong Escambia team to twelve points while scoring two touchdowns themselves.

The Warriors went ahead 6—0 when Steve Kittrell rammed across from the one yard line.

Davidson broke a 6—6 tie in the fourth quarter when Jack Yerkes took in a 14 yard scoring pass from Wade Boyette.

This game was well supported by five busloads of hopeful Davidson supporters which always helps the team's moral as it did in Pensacola.

Jackets Stun Davidson 13—0

Davidson's Warriors were unable to score on what had previously seemed to be a hopeless McGill team.

McGill was held in check in every quarter except the second, when the roof fell in on a very surprised tribe of Warriors.

With the first quarter almost at an end, McGill sprung their fullback, Tony Petro, loose for a 53 yard run. David Kinsaul hauled him down on the eight yard line, from which McGill promptly put six points on the scoreboard.

The next time McGill got the ball, they ran the same play, only this time Petro rambled 76 yards for his second touchdown.

Late in the game the Warriors threatened to score, but the drive bogged down at the three yard line in the face of a rugged McGill defensive line.

Jimmy Johnson adds to the Warriors rushing yardage with another long gain against McGill.

Warriors Belt Raiders 14—7

An alert Davidson defense cashed in on a fourth quarter fumble to spoil B. C. Rain's homecoming game with a 14—7 victory.

After Rain had gone ahead 7—0, Wade Boyette hit Jack Yerkes with a short pass, which Jack turned into a 50 yard touchdown run by outdistancing several Rain defenders.

The Warriors, who rolled up 347 yards in the game, ran the score out of reach when Jimmy Johnson banged across from the six yard line in the final period of play.

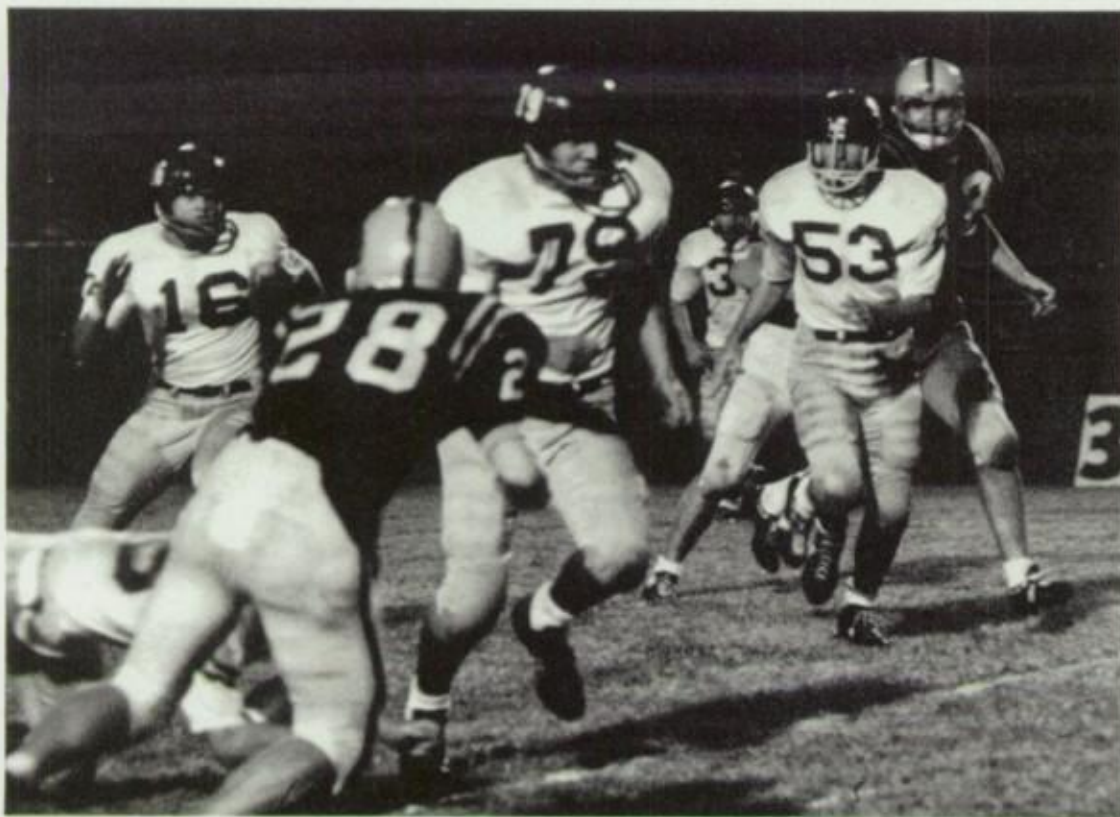

Palmer Williams did an outstanding job of running, gaining 136 yards on eleven carries in the second half. Palmer really brought the fans to their feet when he broke loose on runs of 35 and 36 yards.

This victory evened the season record at 2—2—1.

Senior halfback, Palmer Williams, circles right end and breaks loose for long yardage against B. C. Rain.

Vigor Humbles Davidson 34—6

Palmer Williams (28) and Dan Diffley (72) move in to break up a Vigor offensive drive.

Davidson, determined to upset a high-riding Vigor squad seemed to be doing just that all through the first quarter. Attaining experience with every game, Wade Boyette, directed the Warriors 54 yard scoring drive in the first period, which he capped by passing seven yards to David Kinsaul. The try for the extra point was wide of its mark, but Davidson led 6—0.

From that point on it was all Vigor as they drove 75 yards for their first of five touchdowns. With one minute left in the half, Tim McMasters picked up our punt and returned it 70 yards for a touchdown and Vigor led 13—6 at the halftime.

The second half was even more disastrous with Vigor scoring on passes of 8 and 40 yards and another 70 yard punt return.

Poets Upend Warriors 13—6

Davidson's upset-minded Warriors went to Montgomery, determined to come home with one more game in the win column.

The 2,000 people, who came that night expecting to see our boys pushed around like last year, got the shock of their lives, as Davidson gave the Poets a busy night and won everything except the ballgame. They outgained the home team 311 yards to 192; they had 17 first downs to Lanier's 10.

The passing of Wade Boyette kept Lanier on their toes all night. Boyette flipped 27 passes and completed 14 of them for 189 yards.

The first time Davidson got the ball it appeared they might be ready to upset the Blue and White club. After being shoved back to their own seven yard line, Davidson began a hard fought 93 yard drive. Boyette capped this drive with a 10 yard pass to David Kinsaul to score our only touchdown.

The closest we came to scoring again was on a sensational 90 yard runback of a punt by Davidson's safety man, Steve Kittrell. Taking the ball on his own six, Kittrell took off for the enemy's goal. The little speedster got all the way to the four where he was tripped on a desperate try.

Even though Davidson couldn't dent the Lanier line, they played an inspired and superior game.

Warriors Fall to Panthers 14—7

In this, our last game of the year, Davidson undoubtedly played the best of the year and would have beaten the high-ranked Panthers if it had not been for two errors on punting situations.

Davidson was not expected to win and they didn't, but they held the over-confident Panthers to a very close score, and close statistics also.

Murphy scored their first touchdown when a high snap from center sailed over Robert Campbell's head and when he tried to recover the ball, it was fumbled in the end zone and picked up by a blue-shirted Murphy linesman.

Davidson's touchdown came in the second quarter on a 48 yard pass play from quarterback Wade Boyette to speedster Jack Yerkes, who took the short pass and outran three bewildered Murphy defenders. Steve Dyas converted to tie the score at 7—7.

The Panthers scored the winning touchdown when another high snap from center went over Campbell's head and Murphy took over at our ten yard line.

On the first play, Murphy's fullback scored their final tally with the game almost at an end.

This, our homecoming game, closed out the season on a somewhat sour note, but anyone who saw this game knows that the Warriors turned in a far superior performance as compared to a team ranked third in the state.

Steve Kittrell is hauled down from behind by several Murphy defenders, after catching a screen pass from Wade Boyette.

Eager Warriors lead by Hank Malone rush onto the field before the Homecoming game with Murphy.

Bobcats Outscore Warriors 20—12

Theodore's fired-up Bobcats rolled up a 13—6 lead in the first half and continued onto a 20—12 victory.

Before the first two minutes of the game had elapsed, Davidson had lit up the scoreboard. Steve Dyas got things started with a 35 yard run from scrimmage. Palmer Williams found daylight on the next play and scampered 31 yards for a touchdown.

Theodore marched 83 yards to a touchdown the next time they got their hands on the ball, which was helped by a pass interference call on our 17 yard line.

A fumble on the following kickoff set the stage for Theodore's next touchdown at the Warrior 18 yard line.

Quarterback Wade Boyette engineered a Davidson drive to the Theodore 13 just before halftime, but lost a battle with the clock.

After Theodore scored again in the third period and the game seemed hopeless, Steve Kittrell took the ensuing kick-off and galloped 90 yards for a touchdown which ended the scoring for the night.

JUNIOR VARSITY

The Davidson Junior Varsity made a good showing place with a 4—2—2 record. They chalked up 70 points in their eight game season while allowing the opposition only 46.

The Junior Varsity lost its first game to Murphy 8—6. After giving Murphy a safety and a touchdown, and trailing 8—0, the Warriors, in a last ditch effort, scored as Ken McDonald threw a pass to Tony Allison, but failed to make the extra point.

The tables turned in favor of the Warriors in their game with Vigor. The first score was a 6 yard pass from Don Faircloth to Don Faulkner, after Tony Allison had intercepted a Vigor pass. Trailing 7—6, Larry Traham alertly picked up a Vigor fumble and returned it 60 yards for the winning touchdown.

In their next outing the Warriors tied Shaw 6—6. Shaw scored first as a result of a pass interception. Davidson retaliated in the closing seconds of the game as Don Faircloth rifled a 20 yard scoring pass to Billy Smith.

In the following game against Satsuma once again the opposition was first to score, and again Davidson came back with a touchdown by way of the Faircloth-Smith combination. Ricky Walters kicked the extra point which provided the win in this 7—6 victory.

Having beaten Vigor in the first game, the team

felt they could do it again, but were upset 13—7, their only score coming after Ken Brown had teamed up with Ricky Walters for a 72 yard pass play.

In the second meeting with Shaw, Davidson was once again tied 6—6, as both teams missed their extra point attempts.

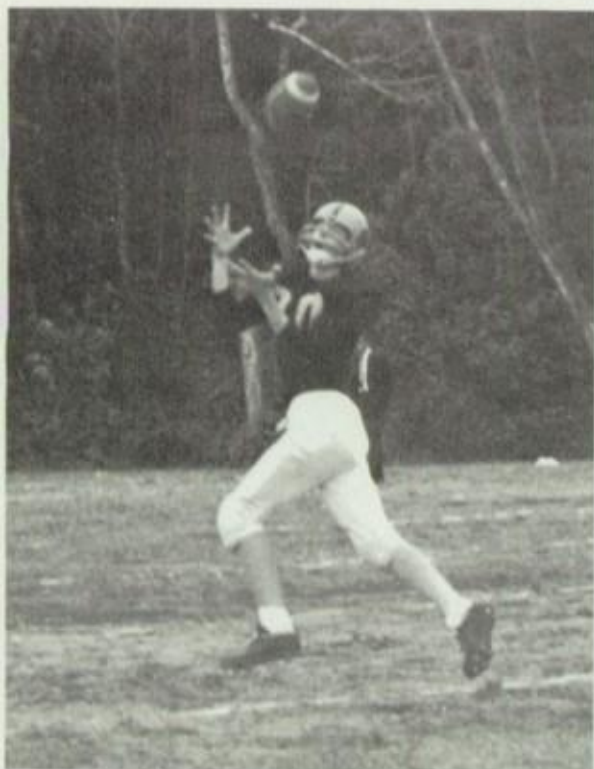

As the season neared its end the Davidson offense began to click in their game with B. C. Rain. Having scored twice in the first half on a 45 yard run by Ken McDonald and a long pass from Ken Brown to Ricky Walters, the Warrior defense held the Raiders scoreless.

The Warriors closed out their season in fine style beating U.M.S. 13—0. First to score was Ricky Walters on a pass from Ken Brown. Charles Cupstead scored the final touchdown with a three yard plunge.

Freshmen Cheerleaders Generate Strong Team Support

Vivacious Girls Cheer Freshman Team

The traditional Davidson spirit begins the first year in high school. The Freshman cheerleaders are chosen at the beginning of each school year on the basis of their cheering ability and personality to extend the famous Davidson spirit. By providing lots of pep, spirit, and enthusiasm at all of the Baby Warriors games, these cheerleaders introduce the Freshman class to the exuberant spirit of Davidson.

The Freshman cheerleading squad was perhaps more active this year than ever before. Not only did they cheer at the ninth grade football and basketball games, but they also helped the Varsity cheerleaders earn money for new uniforms by selling booster stickers.

Long hours are spent practicing cheers so the Freshman squad can spark the spirit at the games.

Dedicated cheerleaders contribute long hours to generate strong team support.

Junior Laden Team Gains Experience

Left to Right, Jim Miller, Blake Luker, Don Faircloth, Doug Bolton, Gary McCormick, Ronnie Connell, David Speed, Sam Ellard, Wade Boyette, David Mechler, John Laehy, Coach Moore, and manager Ron Jenkins.

Although completing a somewhat disappointing season, we believe that with eight juniors and one sophomore returning next year the scene should change. The Warriors were led by towering center, John Laehy. John, averaging 18 points a game, led the Warrior attack in almost every contest.

Our season this year was highlighted by two upset victories over the highly favored McGill Yellow Jackets.

As the season began and everybody got their first look at the Warriors, the black and gold came through with 67—54 victory over Andalusia in the McGill Invitational Tournament. McGill also won their game, earning the right to play us in the finals. To our great disappointment, McGill won their own tournament by beating us 66—59. This was the first of four consecutive games in which the Warriors came up on short end of the score. The Rebels from Escambia were next in line and they took advantage of a cold shooting tribe for a 61—40 victory. As if this wasn't bad enough, Fairhope managed to run up a 59—45 win over a hopeful Davidson team. In our next game, John Laehy poured 33 points through the net in a losing effort to McGill 66—81. With this behind them, the Warriors pulled out in fine style winning three of their next four games. Theodore fell 42—38 as Sam Ellard led the way with 15 points. Baker then upset Davidson with John Laehy absent from the starting line up. From this point on Davidson won eight and lost seven. In these eight wins were two big wins over UMS 79—56 and 82—55, two large margin victories over B.C.Rain 83—53 and 80—48, topped off by two thrilling upset wins over McGill 64—61 and 77—74.

Junior Varsity Five Breaks Even for Season

Davidson should look forward to a fine crop of young hoopsters next year. Our junior varsity has gone through the season thus far and posted a 9—10 record at the time the TOSHOA went to press, with two games remaining to be played. Mainstays for the Warriors have been Don Faircloth, Ronnie Adams, Robert Haygood, and John O'Neil, who have started most all of the junior varsity games this year.

Scoring honors for this year were taken by Don Faircloth, with John O'Neil and Robert Haygood taking a close second and third. A host of subs, who are Gary Ryan, Chris Gay and Rodney Wilson, added considerable strength which made them exceedingly dangerous as the season progressed. Throughout the year a great deal of sportsmanship has been displayed which is an outstanding mark of Davidson's athletic teams.

After getting off to a shaky start, somewhat like that of the Varsity team, they lost their first four games to Escambia, Fairhope, McGill and Theodore. Determined to even the score, the junior Warriors came roaring back with big wins over Baker 64—42, B. C. Rain 46—30 and U.M.S. 54—33. Vigor then put a stop to Davidson's momentum with a 21—31 defeat. B. C. Rain's offense had improved the second time around, but unfortunately for them so had ours, which resulted in a 73—58 win. Theodore and McGill were next on the schedule, and the Warriors fell 40—46 and 26—34 respectively. Davidson traveled to U.M.S. the following week and tacked up a 36—22 victory. An overconfident Vigor team was next in line and fell to the Warriors 41—36. Murphy caught Davidson with cold hands and produced a 37—71 rout.

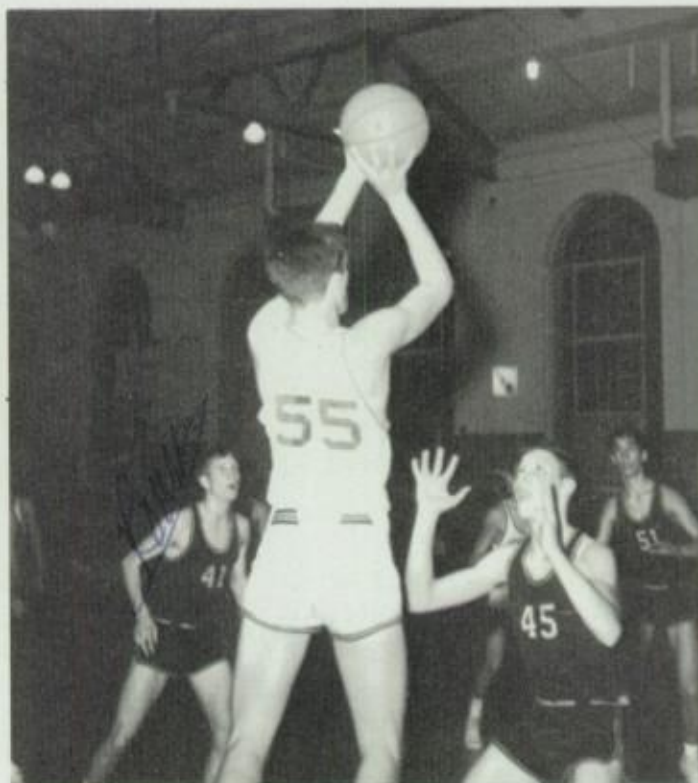

The Warriors next game was a real heartbreaker as Davidson fell to Escambia 49—50.

Steve Kittrell bangs out another extra base hit.

When the baseball season started this year the TOSHOA had already gone to press. Consequently the results of games, batting averages and other statistics are not available; but with nine returning lettermen to balance out the team, the Warrior baseball nine are a sure bet to be a strong contender for the City Championship, in which they placed second last year.

Under the direction of Coach Chapman, the varsity baseball schedule for this season has been expanded to include two games with Pensacola High School.

Returning from last year's team are: Outfielders Blake Luker, Steve Kittrell and Joe Williams; Infielders Bill Broach, Chris Gay and Don Faircloth; Pitchers Mike Mulligan, Charles Dulaney and Ronnie Adams.

We have every bit of confidence in our baseball team. We are sure they will have a successful season.

Expected to carry the brunt of the load are lettermen Billy Moore, Gene Tomlin, Harry Risher, Carl Rush, Lee Hughes, Bruce Anderson, Dan Diffley, Alan Kirk and Tommy Doughty.

This year Harry Risher should be leading the way in the pole vault and broad jump competition, especially the latter. Billy Moore and Jerry Johnston should reach the finish line first in the 100 yard dash. Lee Hughes and Doug

Vance should look good while high-stepping their way over the hurdles. Carl Rush and Gene Tomlin are expected to outlast all the others in the mile and two mile events, with promising sophomore Tommy Dorer gaining experience with every meet. In the weight events, shot put and discus, Hank Malone and Danny Coffey should be well heard from frequently. Bruce Anderson should be turning in good times in 220 and 440 yard dashes for the second year.

Along with these many returning lettermen there is also a host of non-lettermen who will add strength and depth to the team.

Freedom of Voting . . .

Democratic freedom is more than a matter of making choices; it also includes the freedom to share in setting up possible choices.

Voting is a democratic method by which the people decide issues and choose their leaders of government. Freedom to vote is essential to self-government, whether carried on directly or indirectly. The United States of America will be a republic only so long as its people can vote freely for the candidates they think will govern best.

Voting is a right, but it is also a privilege. A person who does not vote is throwing away one of his most precious rights—a right that means everything to our democracy. He is disregarding his right to have a voice in his own government. Indifference permits the apathetic to gain control of a government.

Voting is important in our democratic government; it is ruled by the people through representatives. Especially, is freedom of voting important because of this fact.

THE FUTURE IS BRIGHT . . .

The future is bright for the forest farmer who plans ahead. This is true because more and better trees will be needed to meet our growing nation's demands for wood products.

Also, wood-using industries and related organizations are investing large sums of money in research activities to discover new uses and new markets for wood and wood products. As they are found, the forest farmer is in a favored position to profit from this demand for his trees. The land-owner who manages his forest at a minimum of expense and grows trees of high quality will reap the greatest profit.

The future is also bright for the forester, as more scientific management must be applied to plantations and natural stands of timber in order for them to be brought into maximum production. To accomplish this, the services of dedicated and skilled foresters will be required.

Working together, the future is indeed bright for the tree farmer and the forester.

Ronnie,

The perfect place to say
 what I think of my lab partner
 the person I helped through
 English test, who forgets my
 literature book on hook check
 day, who spills HCl on me
 in lab and is an absolutely
 great person. You're a
 wonderful person who is
 one who'd I like to know
 again next year. Remember
 the class of '67 is the best
 class H.S. will ever have
 Good luck with the student
 council treasury money.

Love,
 Cheryl

And Mamma

Never forget Mervin & Juliet.

*"Sleep softly . . . eagle forgotten . . . under the stone.
Time has its way with you there, and the clay has its own.*

*A hundred white eagles have risen, the sons of your sons,
The zeal in their wings is a zeal that your dreaming began,
The valor that wore out your soul in the service of man . . .*

*Sleep softly . . . eagle forgotten . . . under the stone.
Time has its way with you there, and the clay has its own.
Sleep on, O brave-hearted, O wise man, that kindled the flame
To live in mankind is far more than to live in a name,
To live in mankind, far, far more . . . than to live in a name.*

To live in mankind, far, far more . . . than to live in a name."

*Through this toilsome world, alas!
Once and only once I pass;
If a kindness I may show,
If a good deed I may do

Let me do it while I can.
No delay, for it is plain
I shall not pass this way again.

THIS BOOK IS FINISHED AND THE YEAR DRAWS TO A CLOSE. AHEAD LIES GRADUATION, PROMS, SUMMER VACATION, AND SUMMER JOBS; FOR MANY THE PLANS AND PREPARATIONS FOR HIGHER LEARNING AND A COLLEGE EDUCATION. THE '66 TOSHOA STAFF HAS SOUGHT TO BUILD A BOOK WHICH WOULD IN A SPECIAL WAY REFLECT DAVIDSON HIGH SCHOOL AND THE CITY IN WHICH WE LIVE. AS THE HALLS GROW DIM AND THE CLASSROOMS QUIET, WE HOPE THIS BOOK WILL BRING BACK THE MEMORIES OF THE YEAR AND HOLD THIS LIVING SCHOOL FOREVER IN YOUR MEMORY.

Studied could have, and
one of the hardest worker
in the school. Good luck.
Oh Boy. Chopper 3-10-66

Ronnie,
You're a real great
guy with a great personality and
I consider it a real privilege
to have known you this year.
Good Luck next year and in
the years to come.

P.S. Remember
History - What
a Hybrid! (Haha)

Ronnie,
It's almost
through, algebra, that is.
Besides, that it's been
a ~~copy~~ good year.
I'll always remember
your help in A+P.
and after the prom at
that place with the waffles.
Keep your sweet next
year. See you. Love,
Dianne

So
to one
and only
great one. I
know that you
will do great in
what ever you do
because you have the drive
and the go that makes you
one of the most out standing
people of Davidson

Ronnie, I've been a truly
great year! It's really been
a wonderful having you for
a friend all these years.
Just think of all the dumb
things we've done together!
(NO DON'T!???) You're a
real great kid. Ronnie is a
an even greater personality.
stay just as you are now and
pure you will go a long long
way in this dumb world!
I'll never forget all our

Ronnie,

I know that you have had your problems with D.T.'s, but I hope you won't give us up. You're a great boy with a great personality and I hope you will always be happy. I hope you find someone more compassionate to tell your troubles to next year, but if you ever need a shoulder to cry on, I'll be available.

May God bless you and make your life a happy one.

Love,

Keith D.T.

Ronnie,
